

# Sustainable Tucson Energy Transformation Working Group

## Electrify Your Whole House

### Save Money - Reduce Emissions

#### First: Get a Home Energy Audit

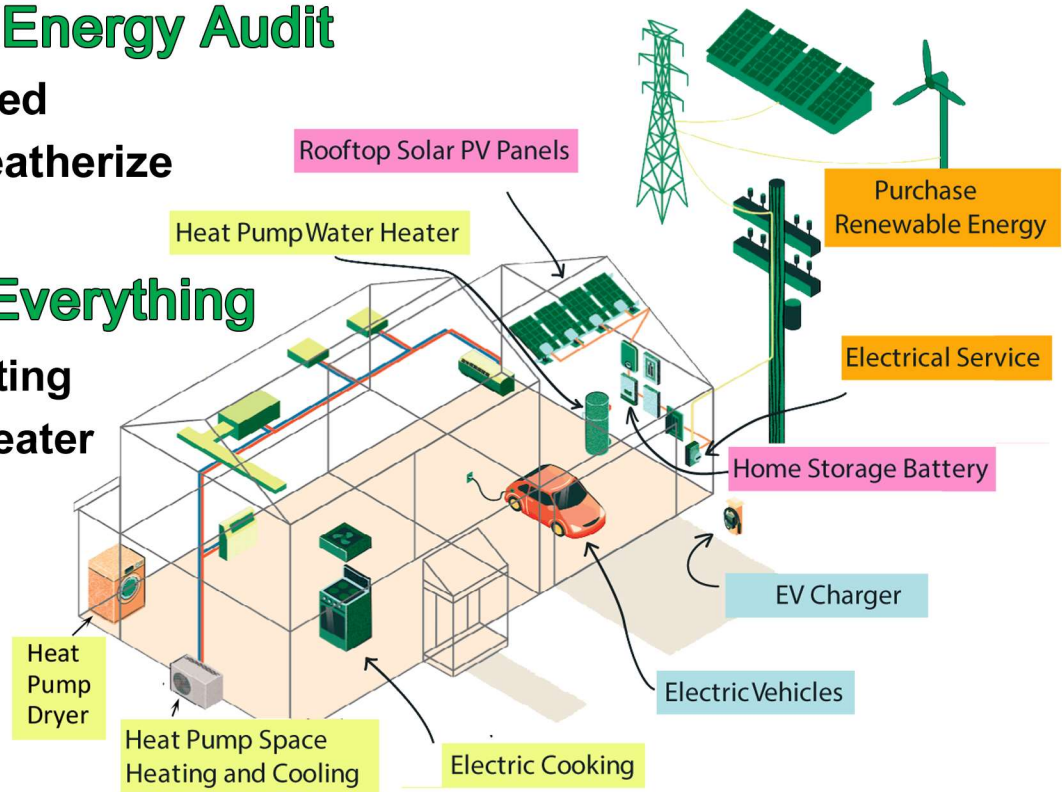

- Learn what you need
- Seal air leaks & weatherize

#### Second: Electrify Everything

- Heat pump AC/Heating
- Heat pump water heater
- Heat pump dryer
- Stove
- Vehicles

#### Finally, Go Solar!

- Rooftop systems
- Home storage batteries
- TEP solar programs

## Get Started
